ABOUT SPORT EVOLUTION ALLIANCE

Sport Evolution Alliance (SEA) is an international non-profit organisation using sport as a catalyst for education, inclusion, integrity, wellbeing and social transformation across Europe and beyond.

MISSION

Contribute to the development of the community through the connection, assistance and application of initiatives associated with sport. To use sport as a catalyst for education, inclusion, wellbeing and positive social transformation across Europe and beyond.

VISION

To become a leading international organisation driving innovation, inclusion and sustainable development through sport.

MISSION

Contribute to the development of the community through the connection, assistance and application of initiatives associated with sport. To use sport as a catalyst for education, inclusion, wellbeing and positive social transformation across Europe and beyond.

Ambition – We are driven by the ambition to challenge limits, create opportunities and generate meaningful social impact through sport.

**SPORT
EVOLUTION**
ALLIANCE

Connects people, ideas and organisations through education, collaboration and international cooperation. Its initiatives promote inclusion, sustainability and new opportunities for communities and young people.
